IITians Prashikshan Kendra Pvt. Ltd. (IIT-PK) is a 21 years old leading coaching institute based in Pune for JEE & NEET coaching. Over 12000 students have been coached in the past 21 years who are all well-placed in their respective careers in different parts of the world today. ENTRANCE MASTERS (EM) is a division of IlTians's Prashikshan Kendra Pvt. Ltd. formed in 2012 which focuses primarily on **NEET-UG** coaching.

ENTRANCE MASTERS has its own classroom and office premises, study material, academic staff and an experienced team of Faculties which ensures a smooth functioning of the **NEET (PCB)** program for the past 10 years.

#### **Motivation**

According to the Medical Council of India(MCI), the current ratio of doctors to population in India is 1:1700 whereas the minimum prescribed ratio by WHO 1:1000 and the same ratio in developed nations like US, UK and Australia is 1:400. There is a 75% shortage of doctors with Post Graduate degrees in hospitals in India. India has barely 8 lacs practising doctors in Modern Medicine. Therefore, there is tremendous scope for students aspiring to be doctors. There is tremendous potential to contribute to the nation socially as well as to earn financially.

The **NEET** exam is the **Single National Medical Entrance exam** since 2017 by an Act of Parliament for over **550 Medical colleges** in India including AIIMS and JIPMER. The **NEET** exam has 180 questions (90 in Biology, 45 each in Physics and Chemistry). Each question carries 4 marks and there is negative marking with 1 mark deducted for every incorrect answer. So, the **NEET** exam is out of 720 marks and typically cut-off for Govt. Medical colleges MBBS seats is around 550+ marks for a **GENERAL** Category student and qualifying marks in **NEET** are around **150** marks.

#### **Career Paths via NEET**

There are a host of courses which are accessible to a student via **NEET** exam. They include popular courses in Medicine like **MBBS**, **BDS**, **BAMS**, **BHMS** and **BPTh**. Besides these, there are exciting courses in **Occupational Therapy**, **Veterinary Sciences**, **Agricultural Sciences** via **NEET** and **Pharmacy** via **MHT-CET**.

## **Medical Seats & Competitive Scenario**

As in 2023, there are 83,075 MBBS seats in 542 medical colleges; 26,949 BDS in 313 colleges; 1205 AIIMS MBBS; 200 JIPMER MBBS seats & 52,720 AYUSH in 914 colleges plus BVSc & AH seats in various colleges are available across India. About 18+ lac students appear for NEET every year of which 2.5 lac appear from Maharashtra and hence there is stiff competition amongst students to bag the coveted Medical seat. The 2-years coaching program for NEET is designed by ENTRANCE MASTERS to lend a competitive edge to students in th is era of cut throat competition. NEET cut-off is 550+ marks for GMC MBBS for GENERAL category students.

#### **Pune Scenario in NEET**

About **21000 students** from Pune aspire to get admission via **NEET** into various medical and para medical course every year. However hardly **2000 students** from Pune enroll themselves into any **rigorous 2 years NEET coaching program**. Rest of the students remain complacent by joining only CET classes which do not provide proper **NEET** coaching.

Therefore it has been observed in **NEET** from **2020 to 2022**, hardly **350-400** students from Pune scored over 500 marks every year from Pune. This scenario can easily change if more students can enroll themselves in credible 2 years coaching program for **NEET** like **NEET** (**PCB**) **2025 program**.

## 2 Years NEET (PCB) 2025 Program

The **NEET (PCB)** program is a comprehensive 1500-hours program offered in **Blended Mode only** for complete and systematic coaching for **XI + XII + NEET + MHT-CET (PCB) + CET (Pharmacy) + IAT** exams. This program in which primarily teaches Physics, Chemistry and Biology but also provides adequate input in Mathematics in select chapters which are useful to learn Physics and Chemistry.

The results of NEET (PCB) students from 2013-22 are very encouraging with 130+ MBBS admissions (45 students in GMC- MBBS in Open Category) like BJ, GS, Nair, MGIMS, CMC-Vellore, AFMC etc. The NEET (PCB) program has recorded the highest Success Ratio for MBBS admissions in Pune with a 20% success ratio. Almost 100% of our students qualified in NEET exam.

#### Special Features of NEET (PCB) 2025 program:

- Teaching by a blend of young, dynamic and matured, experienced Faculties.
- A systematic course sequence which is meticulously planned and executed.
