IITians Prashikshan Kendra Pvt. Ltd. (IIT-PK) is a 20 years old pioneering coaching institute in Pune and is the leading coaching institute in Pune IIT-JEE coaching. Over 6500 students have been coached in the past 20 years who are all well-placed in their respective careers in different parts of the world today. **ENTRANCE MASTERS (EM)** is a corporate division of **IITians's Prashikshan Kendra Pvt. Ltd.** formed in 2012 which focuses primarily on Medical Entrance exams like **NEET, JIPMER & AIIMS**.

ENTRANCE MASTERS has its own team of Biology faculties and academic personnel who ensure a smooth functioning of the **TOP DOCTORS** programs. The **TOP DOCTORS** program is conducted under the aegis of **ENTRANCE MASTERS**.

Motivation

According to the Medical Council of India(MCI), the current ratio of doctors to population in India is **1:1700** whereas the minimum prescribed ratio by WHO 1:1000 and the same ratio in developed nations like US, UK and Australia is 1:400. There is a **75% shortage** of doctors with Post Graduate degrees in hospitals in India. India has barely 8 lacs practising doctors in Modern Medicine. Therefore, there is tremendous scope for students aspiring to be doctors. There is tremendous potential to contribute to the nation socially as well as to earn financially.

The **NEET** exam is the **Single National Medical Entrance exam** since 2017 by an Act of Parliament for over **550 Medical colleges** in India including AIIMS and JIPMER. The **NEET** exam has 180 questions (90 in Biology, 45 each in Physics and Chemistry). Each question carries 4 marks and there is negative marking with 1 mark deducted for every incorrect answer. So, the **NEET** exam is out of 720 marks and typically cut-off for Govt. Medical colleges MBBS seats is around 500+ marks for an OPEN Category student and qualifying marks in **NEET** are around 130-140 marks.

Career Paths via NEET

There are a host of courses which are accessible to a student via **NEET** exam. They include popular courses in Medicine like **MBBS, BDS, BAMS, BHMS and BPT**. Besides these, there are exciting courses in **Occupational Therapy, Biotechnology, Bio-informatics, Biomedical Engineering, Microbiology and Pharmacy**.

Medical Seats & Competitive Scenario

There are 83,075 **MBBS** seats in 542 medical colleges; 26,949 **BDS** in 313 colleges; 1205 **AIIMS MBBS**; 200 **JIPMER MBBS** seats & 52,720 **AYUSH** in 914 colleges plus **BVSc & AH** seats in various colleges are available across India. About 13-15 lac students appear for **NEET** every year of which 2.4 lac appear from Maharashtra and hence there is stiff competition amongst students to bag the coveted Medical seat. The 2-years coaching program for **NEET** is designed by **ENTRANCE MASTERS** to lend a competitive edge to students in this era of cut throat competition. **NEET** cut-off is **500+** marks for **GMC MBBS**.

Pune Scenario in NEET

About 24000 students from Pune aspire to get admission via NEET into various medical and para medical course every year. However hardly **1500 students** from Pune enroll themselves into any **rigorous 2 years NEET coaching program**. Rest of the students remain complacent by joining Std. 11th +12th + CET classes which do not provide proper NEET coaching.

Therefore it has been observed in NEET 2013, 2016, 2017, 2018, 2019 & 2020 that hardly 150-200 students from Pune scored over 500 marks every year from Pune. This scenario can easily change if more students can enroll themselves in credible 2 years coaching program for NEET like **TOP DOCTORS 2024** program.

2 Years TOP DOCTORS 2024 Program

The **TOP DOCTORS (TD)** program is a comprehensive 1500-hours program offered in **Tutor Led Blended Mode only** for complete and systematic coaching for **XI + XII + NEET 2024** exams. TD program in which primarily teaches Physics, Chemistry and Biology but also provides adequate input in Mathematics in select chapters which are useful to learn Physics and Chemistry.

The results of **TOP DOCTORS** students from **2013-21** are very encouraging with **125+ MBBS admissions (40 students in GMC-MBBS in Open Category)** like **BJ, GS, Nair, MGIMS, CMC-Vellore, AFMC** etc. The **TOP DOCTORS** program has recorded the **highest Success Ratio** for MBBS admissions in Pune with a 25% success ratio. Almost **100%** of TD students qualified in NEET exam.

Special Features of TD-2024 in BLENDED mode

- Teaching by a blend of young, dynamic and matured, experienced Faculties.
- LIVE-INTERACTIVE Teaching along with Recorded lectures facility.
- A MASTER course sequence which is meticulously planned and executed.
- Doubts-clarification via Online 24X7 doubts forums and exclusive doubts session.
- 3-D Testing in classroom, take-home and online mode with advanced analytics.
- Study Material comprising of 12 books for NEET prepared by IIT-PK Academic think-tank.
- Digitised Study material in pdf format as well as physical books.
- Online Assignments system via LMS system.
- Online Tests using AI-driven platform with advanced analytics.
- Program updates and Instant Report Cards to Parents via IIT-PK ERP system.
- Guidance on how to study at various stages of the program.
